INTERVAL CIRCUIT TRAINING **\$105**

This workout features a combination of strength and cardio activities set up in a circuit that will provide a high-calorie burn and body sculpting. Each class features different combinations of activities and is a great form of cross training. At the end of the circuit, participants will do core strengthening on the mat and finish with a good stretch.

Cooperative Work Experience

Cooperative Work Experience (CWE) is a program that allows students to earn college credit for working in the community in a career area related to the student's academic goals.

Contact the Program Manager of Cooperative Work Experience at mbateman@clatsopcc.edu or (503) 338-2507 for the appropriate CWE class, seminar, and registration information.

CWE280	COOPERATIVE WORK EXPERIENCE	1-11 CR
---------------	------------------------------------	----------------

Students work in the community in positions which allow them to demonstrate the skills they have gained during their academic training. Depending on the program, students can earn up to 18 credits on the job. Prior to beginning the work experience, students create individual learning objectives in cooperation with an identified Worksite Supervisor. Student learning objectives are reviewed and approved by the student's Faculty Advisor and/or Program Supervisor. Student learning objectives are consistent with program outcomes and guide student learning during the term. Student learning is monitored by Cooperative Work Experience staff. Students participate in regular monitoring meetings. Students submit required paperwork and are evaluated by their Worksite Supervisor. Students assume greater responsibility on the job as the work experience progresses. Registration requires the signature of the Cooperative Work Experience Program Manager.

Prerequisite: None, however, students must have adequate academic training to be successful in an entry-level position.

Co-requisite: None, however, students may choose to take CWE281 Career Readiness Seminar.

COURSE# / CODES	SN	INSTRUCTOR	DAY	TIME	CREDITS / LOCATION
CWE281	CAREER READINESS SEMINAR				1 CR
This online career readiness seminar is designed to assist students in obtaining positions consistent with their career goals by challenging students to explore, develop, and take steps toward their own future career plans. Students will experience interactive online training modules to prepare them for the entire journey of choosing the right career, finding a job, and succeeding in the workplace. The training is interactive and focuses on teaching students how to do things for themselves, to build skills and confidence, and empower students to take ownership of their career path development and job search. Innovative simulations provide a safe environment where students can practice for real life situations, such as a job interview, instantly seeing the consequences of their decisions.

Arts & Crafts

JEWELRY METALSMITHING \$80				
Metalsmithing is the art and practice of forming and fabricating metal into jewelry. In this class, students will learn how to make copper, brass, and precious metal jewelry by using tools to produce pierced (cut-work) designs that reflect their individual style. Students will have access to the instructor's complete collection of equipment for forming, shaping, casting, coloring, and polishing. An additional fee for supplies of \$30 for new students or \$15 for returning students should be paid to the Instructor on the first day of class in the form of cash or check. Returning students should also bring their jewelry tools.

DIY T-SHIRTS AND MORE! \$40				
In this engaging 2-session class, participants will embark on an exciting journey into the world of DIY t-shirt making using a heat press. Whether you're a seasoned crafter or a complete beginner, this class is designed to equip you with the skills and knowledge needed to create personalized, professional-quality t-shirts, hats and bags right from the comfort of your home. By the end of the class, you'll not only have the skills to create your own custom t-shirts but also the confidence to explore and experiment with various design techniques. Whether you're looking to express your individual style, launch a small business, or simply enjoy a fun and rewarding hobby, this class is your gateway to limitless creativity in the world of garment making. Each student will create a t shirt, hat and bag. In addition to the cost of the class, each student is required to bring \$20 to the instructor for supplies on the first day of class.

SMALL BUSINESS MANAGEMENT PROGRAM \$899

Are you an existing small business owner wanting to improve your business management skills? Do you feel like you are too often guessing, "winging it" or flying by the seat of your pants?

The Clatsop SBDC's Small Business Management (SBM) program is designed to help owners improve their business savvy, gain control of their business's future and be ready to take it to the next level.

In SBM, your business is the textbook, and what you learn in the classroom is designed to directly be applied to your business. This unique combination of classroom learning, business coaching, and peer-peer networking is all designed with one goal: helping your business thrive.

Across 11 interactive sessions, participants will learn from experts, local business leaders and each other about strategy, financial management, budgeting, marketing, management and planning. Each business is paired with an expert business advisor who will meet with you regularly to help identify, prioritize, and achieve your business-specific goals.

LEVEL 1

For business owners who are in the early stages of their small business management journey (typically less than 3 years with 1 or fewer employees) or who have never taken the Small Business Management Program. Begins November 13, 2024, and meets every other Wednesday from 3:00–5:30 pm at the Astoria Lexington Campus through April 16, 2025 (11 sessions).

LEVEL 2 (ADVANCED)

For experienced business owners (typically those with more than 3 years of business experience and 2 or more employees) or those who have already taken the Small Business Management program. Program begins January 15, 2025, and meets for 11 sessions from 2:30-5pm, ending June 4, 2025 at the Astoria Lexington Campus.

Fee: \$899 | Scholarships up to \$500 per business are available for select industries (maritime, healthcare, hospitality, and manufacturing), thanks to Northwest Oregon Works.

FOOD & BEVERAGE ENTREPRENEUR'S BOOTCAMP **\$199**

Grow your confidence and skills! Are you an entrepreneur with a great recipe or product but need additional support to turn it into a successful business? The Food & Beverage Entrepreneurs Bootcamp is a 10-week program that will help new entrepreneurs build on their passions and current producers strengthen their existing businesses. This bootcamp will help you refine your recipe, develop your product, grow your business skills, and advance your success with your food or beverage product business. Participants will hear from subject matter experts on the critical aspects of developing a successful food or beverage product business:

- Product development and costing
- Producing in a commercial kitchen
- Business planning and financial forecasting
- Sales channel development
- Packaging and labeling
- Merchandising and sales strategies
- Market research & customer profile development
- Branding and marketing

The Clatsop SBDC has partnered with experts at the North Coast Food Web and Astoria Co-Op to deliver a supportive and comprehensive program that will cover what you need to not only create and sell your product but also put you on a path to building a successful food or beverage product business.

The program includes:

- Five 2-hour educational sessions
- One optional "pitch" session where you present your product plan to class participants and experts for feedback
- Five individual advising sessions with an SBDC business advisor to help you apply what you are learning in the classroom to your business.
- Technical advising from the North Coast Food Web to assist with recipe refinement, product costing, and working in a commercial kitchen.
- One individual advising session with a marketing specialist to review your marketing strategy.
- 3 months of kitchen access at the North Coast Food Web (up to 20 hours per month)

This program will be helpful to a wide range of individuals who are in the process of building a food business. Examples include:

- A restaurant owner or chef who wants to market a special product to customers to take home or to local retail stores.
- A person who wants to produce and market a unique food product developed from a family recipe.
- A farmer who wants to create jelly made from berries they grow
- A person who has a passion and recipe developed for a craft beverage.
- A farmer or gardener who wants to develop and market a special pasta sauce

Class will meet every other Tuesday from 9am to 11am beginning October 8th thru December 17th in Astoria on the Lexington Campus.

CW CLATSOP WORKS PAID INTERNSHIPS

MORE THAN JUST A SUMMER JOB

ONE APPLICATION

MULTIPLE OPPORTUNITIES

Internships build a bridge from college to career. Would you like to gain valuable on-the-job training for career success? Consider Cooperative Work Experience (CWE) or a Clatsop WORKS internship!

What is the difference?

A Clatsop Works Internship is an employer-created PAID work experience in the summer to gain skills and experience. It can be in any career field the student chooses. Not for credit / not graded.

CWE is a credit-bearing work experience and partnership between employer, instructor and student. Can be paid or unpaid. CWE is graded and the working experience must fulfill program of study learning objectives in the students' degree program. Typically during the academic year.
