CW CLATSOP WORKS PAID INTERNSHIPS

MORE THAN JUST A SUMMER JOB

Internships build a bridge from college to career. Would you like to gain valuable on-the-job training for career success? Consider Cooperative Work Experience (CWE) or a Clatsop WORKS internship!

What is the difference?

A Clatsop Works Internship is an employer-created PAID work experience in the summer to gain skills and experience. It can be in any career field the student chooses. Not for credit / not graded.

CWE is a credit-bearing work experience and partnership between employer, instructor and student. Can be paid or unpaid. CWE is graded and the working experience must fulfill program of study learning objectives in the students' degree program. Typically during the academic year.

For more information contact **Misty Bateman**, mbateman@clatsopcc.edu

FINANCIAL AID IS AVAILABLE FOR SUMMER TERM

You must be an enrolled, degree-seeking student. Grants, work opportunities and loans are offered. To see if you are eligible for financial aid please complete a **2024-2025 Free Application for Federal Student Aid (FAFSA)** at studentaid.gov/fafsa

If you have had recent changes in your income or family situation please contact the Financial Aid Office and we can help you report these changes on the FAFSA. If you have questions, or to schedule an appointment, please email us at finaid@clatsopcc.edu.
