## Income Eligibility Guidelines

Effective January, 2024

For the 2024-2025 school year, if your family's 2023 taxable income is below the amount shown in the chart, you meet the income guideline for Upward Bound.

**You may wish to complete the application even if you do not meet the income guideline.** We may enroll over-income students when space is available.

The income guideline is only one of several eligibility criteria. Meeting the income guideline does not guarantee enrollment in Upward Bound.

Compare your family **2023 taxable income** to the amount shown in the chart for your family size. Use the taxable income amount from your tax form, after all deductions and exemptions (NOT gross salary or net take-home pay).

***Taxable income is on Form 1040, line 15.***
